*We create LIVE!*

# Creators of Live

Exclusive, high end events with the world as our decor. As creative consultancy and organization agency we stand for live communication and live events from The Netherlands, BeNeLux, to the most exotic destinations and every place in between.

We operate from love, interest, respect and success. Our mission? To convert organizational and private issues to unforgettable win-win situations.

- No one size fits all: every brand, organization or individual is **unique**.
- **Love** for the incredible profession and live memories.
- Genuine **interest** in every client and participant.
- **Respect** for the earth, every individual and a long lasting experience.
- Thanks to great collaborations with client and the parties concerned we create a **huge success**.

"WE CREATE LIVE"

## From dilemma to win-win situation

We're here from consultancy to organization, realization and reflection. We add value by not running away from issues or dilemmas. We expose them! This way we make maximum use of the advantages and realize win-win situations that are reflected on your event or live experience. There are no free rides to unique added value. No, we'll look it up. **Live!**

## Exclusive consultancy and organization

Creators of Live provide **ultimate and impressive value for life**. Based on 15 years of experience and expertise we convert your wishes and demands, proposition or brand experience to an overwhelming high end live activation and live event. Quite a mouthful? Absolutely! Our global network and endless creativity are indispensable over here.

The outcome is an exclusive consultancy and organization journey that ends in **unique, life changing moments**. Make the difference! That's how we roll.
